Slow Roasted Prime Rib momentarily seated on the grilled !!! Irish potatoes, delicious Green beans, fresh baked bread, and soup or salad bar... Wow! It's heaven on a plate ! That prime rib was super tender and flavorful and very reasonably priced. Friends have

told me to come here for decades, I was a fool for not listening sooner. Don't be a fool like me and get down here !

Amazing home cooked incredible food. The servers were attentive to any and all of our needs without being pushy. They were a well trained group. The food was absolutely incredible. First they give you fresh warm bread and butter....followed by a trip to their surprisingly well stocked salad bar. Main course took about 20 minutes to arrive but it was enough time to eat salad and bread! It came out fresh hot and was just beyond amazing. Can't say enough good things about this place. The decor is a bit outdated, but I felt like I was back at my grandmas house eating her home cooking. And the price was insanely affordable for the meal. ((So large I ate half for lunch the next day)) 5 stars for sure.

Homemade food. Home cooked meal. Hungry man portion. Salad bar. What more can I say? For \$16 I had country fried steak with mashed potatoes and steamed veggies. It was covered in gravy and very tasty! My price also included a drink and the salad bar. I felt like I was in my Mothers kitchen based on the atmosphere and ambiance. The service was fantastic and the food came out fast! This is one of those hidden away gems that reminds you of home! They have daily specials and a large selection of meals on the menu.
